## Head Retainer

- Widely adjustable Neoprene headband.
- Angle for ergonomic fit.
- Washable Velcro fastener for easy adjustment.
- Specially designed bayonet mount for easy interchange of end tip and headband.

## Communication Clip

- Rotate to adjust fitting angle (OPT 1101 - 1109, 1111 - 1114)

## Interchangeable lift-off sides

(i.e. No side screws)

- Fold the temple to parking position, hold frame and push temple **upwards** to release. Temple can only be released upwards via the lower hinge sleeve as the opening on the lower sleeve is bigger.
