SAVILE ROW® TITANIUM

Purveyors of understated elegance, Savile Row Titanium offers timeless eyewear tailored for every moment. A contemporary take on classic styles, each piece is influenced by the heritage and flair of London's prestigious Savile Row, drawing inspiration from pivotal moments of British design and craftsmanship.

The perfect blend of luxury and approachability, the Savile Row Titanium collection is classic yet contemporary, elegant and enduring, creating effortlessly stylish eyewear for all occasions.

These rimless styles feature front shapes with sleek, titanium bridges and temples for lightweight comfort. The temple designs range from sophisticated and slimline for an minimalist look, to including heritage inspired patterns for added detail. The temple tips are made from handcrafted acetate. The nose pads are Comotec MEM which are recyclable.
